Just to clarify. If you can do weds at 2:30, I would prefer that. But, if 3 is better, then I will change the appointment.

Hi Patrick—can you make Wednesday at 2:30 or do I need to try 3 PM? I see you have a “tentative.”

Subject: Tentative: Discuss potential partnerships at Council Session - National Weather Center and Fabrication lab

When: Thursday, March 29, 2018 2:30 PM-3:30 PM (UTC-05:00) Eastern Time (US & Canada).

Where: Call in number: (866) 299-3188 or 706-758-1822 (international callers) Access code: 202-564-6446

I am trying to get a guide to cover the 1pm group tour, but it might not be possible on my end. If you can move the call to 3pm CT, I would be available.
